OC PROJECT MANAGER

We Are OC

At OC, we have been proudly partnering with entertainment brands across the globe to deliver award-winning work for over 15 years. Through our team's creative excellence, collaborative culture and understanding of our audiences, we produce work that always excites, engages and delivers - and that is **The Art of Entertainment**.

We are the passionate consumers of the industry we serve - with film-buffs, series-bingers, gamers, book worms and music-lovers all under one roof, resulting in a hive of curiosity, collaboration and creativity. Storytellers, artists and problem-solvers all working as one to create stuff we love, just as much as our clients do.

Our mission is simple: **We help brands entertain.**

Are You OC?

Just like the ever-evolving industry we support, our full-service agency is constantly growing and adapting. This fluidity allows us to shift and thrive, delivering the most effective creative and communications for brands that live to entertain - no matter which touchpoint or stage of the journey.

With this growth comes a need for more amazing talent. Especially one with the creative flair, originality and attention to detail that can only come from being nurtured in the entertainment sector.

Understanding the needs and solutions for clients as varied as Sony Pictures, Universal, Lionsgate, Disney, BritBox and BBC amongst others, whilst having a focussed, fast-paced work ethic that these clients expect will be the recipe for success at OC.

Are you the latest magic ingredient for our agency team?
